Project Brotherhood Conversion

The objective of Operation Brotherhood Conversion is to recognize those troops that have attained 100% Brotherhood conversion in their troop over a period of one calendar year.

Requirements:

- A troop must have all of its Ordeal members that are eligible for the Brotherhood honor attain the Brotherhood honor.
- The troop will have one calendar year to make the 100% conversion.
- If the troop does not make the conversion by the deadline (Fall Conclave), it will need to start over with the new eligible Ordeal members. This must also include the Ordeal members that did not receive the Brotherhood honor the year before.

Recognition:

- Upon the completion of the 100% conversion factor that is listed above, the lodge will present to all Brotherhood and Vigil *dues paid* members in that troop a limited edition pocket flap.
- If the troop receives the 100% conversion again the next year, then only the new Brotherhood members for that year will receive a limited-edition pocket flap.
- The limited edition flap will only be given to a person once (one per lifetime). The flaps will not be for sale.
