How can you help with this endeavor?

Adventure Base 100 takes place during the Cinco de Mayo festival celebrated in Chicago. Nine BSA councils are working together to bring this show to the public. As part of the national tour across the USA, one of the many stops will be in our area. There will be a 10,000-square foot arena full of opportunities for visitors to participate in Scouting type activities such as registration area, a 55-foot trailer that opens up into a stage show, a Go! Dome tent that encompasses the camping experience with simulated walking on leaves in the forest, an IMAX® mural diorama that changes as you walk through the dome, sensory activities (smell) that give you the feel of being on a camping trip, a ropes course (staffed by National BSA volunteers) a museum showing some of the history of BSA and the VIP tent.

How can you fit into this celebration?

Be a guide, greeter, supporter, registrar, recruiter, work in the ropes area, the Go! Dome, the stage or the sponsor tents.

Yes, there is a Scout store! What new items would you like to add to your collection of Scouting memorabilia?

What's the time frame for all this help we're asking for?

After the transportation to the site, (we're working on the logistics of moving the group as a whole rather than taking individual vehicles), our scheduled work time is 9:00 a.m. to 3:00 p.m. leaving shortly thereafter for the ride back.

Want to help?

The process to get started is short and simple: email me with your name, address, day or evening telephone number and let me know your willingness to participate.

Thank you.
