**WHY WOOD BADGE?**

Wood Badge gave me the tools to make a real difference in the lives of our scouts.

I really wish I would have taken Wood Badge earlier.

I can’t wait to share what I learned with my home unit!

It reinvented scouting for me.

So much fun -- I laughed harder than I have in a while.

Everything I learned is helpful in scouting and everyday life.

The food was amazing! I ate better here than I do at home.

The single most effective leadership experience I’ve ever attended!

SCOUTERS: We have each blazed a path and have a wealth of information regarding places for our troops to go camping, let us all make sure that we now mark those trails for the new leaders to follow. Remember it is all about the scouts. Please fill in the paper that will pass around tonight with winter and summer places to camp. Phone numbers/contacts are great if you have those too, but we can fill those in after as needed. We need your help. These will then be added to this slide and updated as more are submitted.

Thanks and GO CAMPING!
