- **Write down your gift card number and keep it in a safe place;** you will need the card number when it comes time to submit your brief electronic report.

Note that the card may be used at a Lowe's location or with any vendor that accepts Discover cards. *Purchase of food and tools is not permitted.*
- You are **not permitted** to use the card for anything that does not directly relate to your project.
- **Obtain a receipt for each expenditure made with the card.**
- **Take** a few "before" pictures at your project site.
- Display the Lowe's poster at your project site while you are working on your project.
- Do the following as soon as possible after your project has been completed, but no later than April 30, 2014.
