

Religious Emblems Recognition

If you have a youth in your unit who has received a religious emblem, please complete the following form for each person.

The council receives information from P.R.A.Y. on Protestant and Jewish emblems, but we do not receive information about any Catholic emblems unless we hear from a parent or unit leader.

Because these emblems are presented by the religious organization, it is important that we know the church or religious organization and the town.

Please help us recognize all youth who earn these emblems. Thank you.
